To Our Fellow Fire Officers,

The Municipal Labor Committee today voted overwhelmingly to approve a new health plan for Medicare eligible retirees and their dependents to be known as NYC Medicare Advantage.

This plan is custom designed for NYC retirees and will replicate the benefits of the current Senior Care plan and add several additional important benefits. The plan will have NO member premium and the City will continue to reimburse Medicare Part B premiums.

There have been many rumors and misinformation published recently.

The Executive Board, in conjunction with our Family Protection Plan, is preparing a detailed and comprehensive explanation which will be distributed to the membership in the coming days.
